All meeting rooms benefit from natural daylight, air conditioning, touch panel heating and lighting controls, magnetic walls, wired and wireless internet (8MB), ample wall and floor power sockets and telephone points. The lecture theatre has fixed tiered seating; all other rooms are flat-floored.

All meeting rooms are wheelchair accessible and hearing induction loops are available.

Our fully inclusive rates include the use of data projectors, overhead projectors, 35mm slide projectors, flipcharts, whiteboards, TV and DVD/VHS player and a PA system.

In addition, we have facilities for video conferencing, recording to CD/DVD/VHS, digital streaming, video relay, CCTV and

3 phase power supply. An interactive tablet, mobile whiteboards, and magnetic hypertiles are also available.

The Business Centre provides computers with high speed internet access, a colour printer and a fax machine.

Advice and support is available at all times from our technical services team, including computer configuration, presentation design and management and dedicated recording services.

We can also offer a wide range of additional technical solutions, as well as cultural, leisure and teambuilding activities. Please contact us to discuss your requirements.
